

# Presidents Message

## August 2015

One of the primary goals of the Chamber of Commerce is to increase the profile and recognition of local businesses in Redlands. We often overlook their contributions. They are the mums and dads who thanklessly form the back bone of our local economy and contribute to our standard of living.

The Chamber celebrates businesses in Redlands by facilitating the Redland Retail Awards and the Business Excellence Awards.

Congratulations to the Redland Retail Awards Finalists and for the awards presentation held at Sheldon Entertainment Centre on 1 August. Over 650 people attended a spectacular evening celebrating the contributions of all those who work in retail.

Retailer of the year, Punjab Curry Club restaurant at Wellington Point, was a popular choice who thoroughly deserved the Award.

The Chamber is proud to also host the Redlands Business Excellence Awards which acknowledge the achievements of many of the outstanding businesses in Redlands.

I encourage all businesses to participate (nominations close 20 September). The Awards give an opportunity to bench mark your business, recognise staff and increase your profile with customers and the general community. Details are available at our website.

The awards culminate with a Gala Presentation Dinner on Saturday, 21 November. Tickets for the Gala Dinner are now on sale and are also available at our website.
