

President's Message

February 2017

A New Year

What a difference a year makes.

A little over a year ago it would have been hard to imagine the Turnbull Government falling over the line in a double dissolution election and accumulating an even larger and more unpredictable cross bench including One Nation. It was almost impossible to envisage Britain would be leaving the EU and unthinkable the leader of the free world would be a maverick businessman cum reality TV star. Welcome to the uncertainty of 2017.

The Chamber of Commerce looks forward to another demanding year. We are pleased to announce our inaugural Business of the Month Floss Family Dental, Wellington Point.

If you have a business or know of a business worthy of recognition please nominate them for the Chamber Business Awards. Nominations can be made via our website.

Our Annual General Meeting will be held at the Grandview Hotel at 6.00pm Monday 6 March.

The Chamber is a volunteer organisation dedicated to benefiting businesses in Redland City. On behalf of the Redland City Business community I thank the 2016 committee for their inputs and assistance through 2016.

The Chamber is seeking new committee members for 2017. If you want to make a difference, please join and contribute to making Redlands the best place in Queensland to do business.

Garry Hargrave
President
