

## **President's Message**

### **June 2017**

The Redland BaR Awards Presentation Gala Dinner is a night to celebrate our local businesses and recognise their contribution to our community. It's a spectacular night of food, fun and entertainment at Sheldon College. The night is topped off with live music provided by **Red Tie Band**. Check out the sneak preview on our facebook page... just to get a little taste of how great the band are.

Join us to support local businesses so together we can continue to buy local, employ local.

We are seeking expressions of interest from Redland businesses interested in joining with us to have a presence at Redfest on Friday 8<sup>th</sup> – Sunday 10<sup>th</sup> September and promote your business to over 10,000 Redlander's who visit the Redfest each year.

Some of the Options are:

- An Expo with individual business booths
- A collective Chamber display / stand hosting participating businesses' promotional material with a roster to man the stand
- Digital presence showcasing short videos of participating businesses, rotating on a big screen
- Or a combination of the above?

To make it viable we need you to be involved so please let us know of your interest by contacting Naomi Cauley on [naomi@redlandcitychamber.org.au](mailto:naomi@redlandcitychamber.org.au) or 0478 202 306.

P.S. If you haven't taken a Trophy Sponsorship for the BaR awards now it the time to call Naomi.
