

President's Message

October 2017

We are coming up to the end of our calendar of events for 2017 and we'd like to finish the year off with some strong and positive networking – join us at the Elysium on Thursday 23 November at 6.00 p.m. – all welcome!

Renewal notice of membership will be out soon so keep an eye out.

For non-members add joining the Redland City Chamber of Commerce to your "to do" list today - joining now is a great way to maximise the value.

Look out for a questionnaire to our database where we seek your input into find out what you want from us. If you are not member, please email us and we can add you to the list.

We want to know what you believe will add value to your business before we finalise our 2018 events.

To be an effective advocate of local business, we need engagement from all areas of the business community and we encourage your input – we'd like to hear more from the health, retail and trade sector.

How can we be of assistance to your business?

Buy local, employ local is a message that we strongly believe in and to ensure it is supported by the whole community it needs to be seen. What better way to do that then with the support of health, retail, shops, offices and restaurants where our community gather.

We have marketing material to distribute, let us know if you want to get involved.

Redland Women in Business are excited to announce the 2018 series - Resilience With In Business (RWIB) – look out for the 2018 workshops and events. You won't be disappointed!

Best wishes in Business.

Lynne Sturgess
