

President Report September 2018

RCCC & Redfest Marquee looked fantastic and we had two full days of meeting and chatting with the community. We gave out over 1750 business recycle bags to community members (around 10% of the attendees), with one person per family taking a bag – pretty good when we were only in the Marquee during the day.

The aim was to showcase local businesses and there was a real buzz of good conversation around the importance of supporting local business.

Thank you to Darling Point Special School students and Wynnum-Manly Men's Shed for filling our show bags, Beautiful Illusions at Capalaba, Innovative Property Consulting & the Redfest Strategy Team for styling the Marquee.

Another big thank you to the businesses who kindly donated the 23 prizes for our competition.

We've learnt a lot from the experience, what worked and what needs improvement. We had a lot of good feedback, but we welcome more. Let us know what you would value &/or if you have any ideas for next year's event please email president@redlandcitychamber.org.au.

We have set our planning day for 2019 so if you have any suggestions as to what you'd like to see from the Chamber please email us.

Lastly, congratulations to all the BaR finalists. The judging process is in full swing and there are only a few trophy sponsorship options left so to secure some good promotional opportunities for your business contact naomi@redlandcitychamber.org.au.

Don't forget to book your ticket to the Gala Dinner 24th November at Sheldon Event Centre www.redlandbarawards.com/awards-gala-dinner

I am looking forward to glamming for the celebration.

Yours in business

Lynne Sturgess
